Human Rights

Your Rights

As an individual of this program, you have certain rights which are set out in the Rules and Regulations To Assure The Rights of Client In Community Programs. Also, there is written policy which sets out what this program must do to comply with the Community Regulations. A list of your rights is set out below:

- Right to notification
- Right to accept or refuse treatment
- Right to confidentiality
- Right to consent
- Right to dignity
- Right to least restrictive alternatives
- Right to be compensated for compensable work
- Right to retain certain legal rights
- Right to hearing and appeals

- Right to assistance by regional advocate
